---

## Process of Solving:

**append /dontlookinhere/ to the end of URL to enter directory containing password.inc file**

**open password.inc file**

**admin:rosebud101z**

---

## Writeup:

**fopen: could not open file '/www/htdocs/challenges/basics/pre/2/dontlookinhere/password.txt';**

*FYI, the mission isn't broken, the above error is part of the mission.*

*Congratulations on beating the mission again.*

*No credits were rewarded, but it's good to see you're testing your skills again.*

Return to Enigma Main

Even though the login script wouldn't work because of the error, you got credit for finding the username and password. So when they do fix the script to point to the correct file, you'll be able to login.

**So remember error messages can give away potential directories and files to look at.**
