Lazy Game Challenge

I found an interesting game made by some guy named "John_123". It is some betting game. I made some small fixes to the game; see if you can still pwn this and steal \$1000000 from me!

To get flag, pwn the server at:
nc thekidofarcrania.com 10001

Flag:

CTFlearn{d9029a08c55b936cbc9a30_i_wish_real_betting_games_we

Writeup:

go to site, enter 'y'
when asked for bet enter -1000000
keep entering a number over 10 till flag is given:
Sorry you didn't made it !
Play Again !...
Better Luck next Time !.
Sorry you lost some money !..
Your balance has been updated !.

Current balance : :

1000500\$

What the... how did you get that money (even when I tried to stop you)!? I guess you beat me!

The flag is CTFlearn{d9029a08c55b936cbc9a30_i_wish_real_betting_games_were_like_this!}

Thank you for playing !
