

Ambush Mission

Ambush Mission

Hi, i can't tell you my name since now i'm in a mission.

In case to arrest our fugitive target, our team had been intercepted communication between the target with his fellow and found this image

https://mega.nz/#!TKZ3DabY!BEUHD7VJvq_b-M22eD4VfHv_PPbNw2m7CZUfMbveZYw

It looks like they are going to meet in specific place, but we still don't know the time yet. Can you help me?

Flag: CTFlearn{m3Et_me_4t_12_aM}

Writeup:

used stegsolve.jar and found hash:

==QTh9IMx8Fd08VZt9FdFNTb

==QTh9IMx8Fd08VZt9FdFNTb

reversed and decoded with base64 to get flag
