## 07601

**I think I lost my flag in there. Hopefully, it won't get attacked...**

## Flag: CTFlearn{Du$t1nS_D0jo}

## Writeup:
**ran strings on AGT.png and noticed file headers, so I ran binwalk on image.**
**then followed path '_AGT.png.extracted' → 'Secret Stuff...' → 'Don't Open This...' and found a jpg file.**
**ran strings on .jpeg file and got flag**
