Reverse Polarity

Reverse Polarity

I got a new hard drive just to hold my flag, but I'm afraid that it rotted. What do I do? The only thing I could get off of it was this:

From Binary
01000011010101000100011001111011010000100110100101110100010111110100011001101100011010010101110000011

Flag: CTFlearn{Bit_Flippin}
